

Winter Jammies Virtual Crop 2025

Saturday, January 4, 2025

10am to 5pm Pacific Time \$25

Step out of the hustle and bustle after the holidays, stay in your jammies and scrapbook with friends for 7 full hours! Let's have some post-holiday fun and make a few pages to have already done for 2025. If that sounds like a cozy Saturday, then I hope you will join me. Please register early so a flat supply packet arrives to you before the crop. Plan to make at least THREE 2-page Layouts, maybe more!
