

Winter Jammies Virtual Crop 2026

Saturday, January 3, 2026

10am to 5pm Pacific Time \$29

Step out of the hustle and bustle after the holidays, stay in your jammies and scrapbook with friends for 7 full hours! Let's have some post-holiday fun and make a few pages to have pre-made for 2026. If that sounds like a cozy Saturday, then I hope you will join me. Please register early so a 12x12 supply packet arrives to you before the crop. Plan to make at least THREE 2-page Layouts and a Mystery Layout. Send me your favorite soup recipe for a good ole' fashioned recipe swap. Classes will be recorded and put in our private Facebook Group. There will be exclusive die cuts in your kit!
