

Project Recipe Tips & Tweaks 2026

2nd Friday in Mar, June, Sept and Dec at 5:30-8pm PT

The \$25 Virtual Crop fee includes your attendance at the "Quarterly" Project Recipe Tips & Tweaks Class and includes THREE Custom Cricut Titles and/or Die Cuts mailed to you. The first class will be Friday, Mar 13, 2026. At each class we will make THREE 2-page layout Project Recipes from that quarter. There will be a tip or two and some tweaks shared at each class. The 3 Project Recipes will be announced in our new **Project Recipe Tweaks & Tips Facebook group** and that is also where the class videos will be stored for a year or more. **It is up to you to order the three different Designer Paper packs for the Project Recipes (or use stash that you have at home).** You can use this same form to register for future classes or pay for all of them at once. In the Facebook Group the Project Recipes will be announced as soon as possible during the quarter giving you time to order the Designer Paper Pack for each Project Recipe. The THREE different Advisor Guides and Project Recipes will also be put into the Facebook group to find them easily. The titles will coordinate with the colors in the Project Recipe ingredients list. The Advisor Guide will show you how to pair the papers for each recipe and also suggest tools and supplies that coordinate. I will list any extra tools that I am using, as well. More information will be in the Facebook Group.
